The Concept

Our Position

Case Study: Maratua Island Economic Sector

Focus : Homestay Industry

Benefit :- Community based

- Efficient and Practical
- Unique local hospitality
- Affordable cost

Problems:- Electricity and Water supply

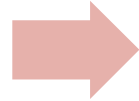

- Hygiene and Neatness
- Dissimilarity

STANDARDIZATION IS NEEDED!

INSIDE WAY !

We are HERE ...

- Create pilot homestay with locals to set up an example

TOGETHER we can !

- Create a professional forum to supervise the development progress

Show it to the WORLD!

- Promote Maratua homestay through various media and mechanism

“None of us is as smart as all of us“

- Kenneth H. Blanchard
